

BEFORE
THE PUBLIC SERVICE COMMISSION OF
SOUTH CAROLINA
DOCKET NO. 2021-65-E - ORDER NO. 2021-512

JULY 26, 2021

IN RE: Joint Petition of Palmetto Electric) ORDER GRANTING JOINT
Cooperative, Incorporated, Edisto) PETITION FOR ASSIGNMENT
Electric Cooperative, Incorporated, and) AND RE-ASSIGNMENT OF
Dominion Energy South Carolina,) TERRITORY AND APPROVING
Incorporated, for the Assignment and) AGREEMENTS TO LIMIT
Reassignment of Territory in Beaufort,) CORRIDOR RIGHTS
Jasper, and Hampton Counties and)
Approval of Agreements to Limit)
Corridor Rights)

I. INTRODUCTION

Pursuant to The Territorial Assignment Act, S.C. Code Ann. §§ 58-27-610 through 690, this matter comes before the Public Service Commission of South Carolina (Commission) on the Joint Petition of Palmetto Electric Cooperative, Inc. (Palmetto Electric), Edisto Electric Cooperative, Inc. (Edisto Electric), and Dominion Energy South Carolina, Inc. (Dominion or DESC) (collectively, the ‘Petitioners’) for the assignment and reassignment of certain territory in Beaufort, Jasper, and Hampton Counties and for approval of agreements to eliminate ‘corridor rights’ in the specified areas. S. C. Code Ann. §§ 58-27-610 thru 58-27-690 (2015). As explained below, we approve the Petitioners’ requests for assignment and reassignment of territory specified in the Joint Petition, included in each of the attached exhibits to the Petition, and order the elimination of corridor rights as they apply to the changing territories.

II. OVERVIEW AND PROCEDURAL HISTORY

On February 19, 2021, the Petitioner's filed their Joint Petition seeking assignment and reassignment of certain territory in Beaufort, Jasper, and Hampton Counties. The Joint Petitioners also request approval of agreements to eliminate certain 'corridor rights' in the specified areas. S. C. Code Ann. §§ 58-27-610 thru 58-27-690 (2015).

By letter dated March 3, 2021, the Chief Clerk for the Commission directed the Petitioners to publish notice at their own expense no later than March 24, 2021. The Joint Petitioners filed proofs of publication verifying notice was provided in the *Jasper County Sun* and *The Hampton County Guardian* on April 1, 2021. The proofs of publication attest that notice was published on March 17, 2021, and March 11, 2021, respectively.

A full description of the proposal is attached to the Joint Petition as Exhibits 1, 2 and 3, which is attached hereto as Order Exhibits 1, 2, and 3, respectively, and incorporated by reference.

A. Beaufort County Areas Assigned and Reassigned

Order Exhibit 1 is the "Beaufort County Key Map" depicting the present and proposed assignment of territories in the affected portions of Beaufort County. This Beaufort County Key Map is the result of lengthy good faith negotiations between Palmetto Electric and Dominion to assign and re-assign various territories within Beaufort County. The characteristics of the Beaufort County Key Map are as follows:

- a. On Order Exhibit 1, the affected portions of Beaufort County are divided into grid blocks (e.g., A2, C2). Each grid block represents a distinct portion of Beaufort County, and is described in further detail by way of additional exhibits attached to the Joint Petition. These

grid blocks depict the proposed assignment and/or reassignment of territory at the street level.

- b. On Order Exhibit 1, the territory shaded in light green is presently assigned to Palmetto Electric.
- c. On Order Exhibit 1, territory that is shaded in dark green is presently assigned to Dominion or is presently unassigned, but the Petitioners request that the territory hereafter be reassigned to Palmetto Electric.
- d. On Order Exhibit 1, territory that is shaded in light red is presently assigned to Dominion.
- e. On Order Exhibit 1, territory that is shaded in dark red is presently assigned to Palmetto Electric or is presently unassigned, but the Petitioners request that the territory hereafter be reassigned to Dominion.
- f. On Order Exhibit 1, the area that is shaded in purple represents a municipality; electric service within the municipality's boundary is governed by the municipality pursuant to certain franchise agreements. Therefore, electric service within this area is not affected by the Joint Petition.

B. Jasper County Areas Assigned and Reassigned

Order Exhibit 2 is the "Jasper County Key Map" depicting the present and proposed assignment of territories in the affected portions of Jasper County. The Jasper County Key Map is the result of lengthy good faith negotiations between Palmetto Electric and Dominion to assign and re-assign various territories within Jasper County. The characteristics of the Jasper County Key Map are as follows:

- a. On Order Exhibit 2, the affected portions of Jasper County are divided into grid blocks (e.g., D2, E3). Each grid block represents a distinct portion of Jasper County, and is described in further detail by way of additional exhibits attached to the Joint Petition. These grid blocks depict the

proposed assignment and/or reassignment of territory at the street level.

- b. On Order Exhibit 2, territory that is shaded in light green is presently assigned to Palmetto Electric.
- c. On Order Exhibit 2, territory that is shaded in dark green is presently assigned to Dominion or is presently unassigned, but the Petitioners request that the territory hereafter be reassigned to Palmetto Electric.
- d. On Order Exhibit 2, territory that is shaded in light red is presently assigned to Dominion.
- e. On Order Exhibit 2, territory that is shaded in dark red is presently assigned to Palmetto Electric or is presently unassigned, but the Petitioners request that the territory hereafter be reassigned to Dominion.
- f. On Order Exhibit 2, the area that is shaded in purple represents a municipality; electric service within the municipality's boundary is governed by the municipality pursuant to certain franchise agreements. Therefore, electric service within this area is not affected by the Joint Petition.

C. Hampton County Areas Assigned and Reassigned

Order Exhibit 3 is the "Hampton County Key Map" that depicts the present and proposed assignment of territories in the affected portions of Hampton County. This Hampton County Key Map is the result of lengthy good faith negotiations between Palmetto Electric, Edisto Electric, and Dominion to assign and re-assign various territories within Hampton County. The characteristics of the Hampton County Key Map are as follows:

- a. On Order Exhibit 3, the affected portions of Hampton County are divided into grid blocks (e.g., D4, E5]. Each grid block represents a distinct portion of Hampton County, and is described in further detail by way of

additional exhibits attached to the Joint Petition. These grid blocks depict the proposed assignment and/or reassignment of territory at the street level.

- b. On Order Exhibit 3, territory shaded in light blue is presently assigned to Edisto Electric.
- c. On Order Exhibit 3, territory that is shaded in dark blue is presently assigned to Dominion or Palmetto Electric or is presently unassigned, but the Petitioners request that the territory hereafter be reassigned to Edisto Electric.
- d. On Order Exhibit 3, territory shaded in light green is presently assigned to Palmetto Electric.
- e. On Order Exhibit 3, territory that is shaded in dark green is presently assigned to Dominion or Edisto Electric or is presently unassigned, but the Petitioners request that the territory hereafter be reassigned to Palmetto Electric.
- f. On Order Exhibit 3, territory that is shaded in light red is presently assigned to Dominion.
- g. On Order Exhibit 3, territory that is shaded in dark red is presently assigned to Palmetto Electric or Edisto Electric or is presently unassigned, but the Petitioners request that the territory hereafter be reassigned to Dominion.
- h. On Order Exhibit 3, the area that is shaded in purple represents a municipality; electric service within the municipality's boundary is governed by the municipality pursuant to certain franchise agreements. Therefore, electric service within this area is not affected by the Joint Petition.

D. Corridor Rights

The Petitioners state that Palmetto Electric and Dominion own many miles of distribution lines that have corridor rights which enable Palmetto Electric and Dominion to respectively serve new customers located in territory assigned to other electric supplier within the borders of Beaufort, Jasper and Hampton Counties. In order to avoid wasteful

duplication of electric distribution lines and appurtenant facilities and to better operate their distribution systems safely, both Palmetto Electric and Dominion agree that they will abandon said corridor rights and not assert a corridor right to serve a customer outside the territory assigned to that Petitioner in Beaufort, Jasper or Hampton Counties as set forth in the Petition and attached Order Exhibits 1, 2, and 3.

With regard to its corridor rights, Edisto Electric owns many miles of distribution lines with corridor rights in Hampton County enabling the electric supplier (i.e., Edisto Electric) to serve new customers located in territory assigned to Palmetto Electric or Dominion. Edisto Electric also agrees that it will abandon said corridor rights and not assert a corridor right to serve a customer outside the territory assigned to that Petitioner as set forth in the Petition and attached Order Exhibit 3. Edisto Electric does not assert having any corridor rights or any territory assigned or reassigned in Beaufort County (Order Exhibit 1) or Jasper County (Order Exhibit 2).

II. DISCUSSION AND APPLICABLE LAW

S.C. Code Ann. § 58-27-640 directs the Commission

shall make assignments of areas in accordance with public convenience and necessity considering, among other things, the location of existing lines and facilities of electric suppliers and the adequacy and dependability of the service of electric suppliers, but not considering rate differentials among electric suppliers.

S. C. Code Ann. § 58-27-640 (2015).

The Commission may assign to electric suppliers areas outside the corporate limits of municipalities and that are more than 300 feet from the lines of electric suppliers.

Upon consolidation of the units of government within any county pursuant to the Constitution of this State, the

Commission shall initially assign the areas that were within the corporate limits of the municipality merged into the consolidated political subdivision and that are more than three hundred feet from the lines of all electric suppliers as such lines exist on the date of the consolidation to the electric supplier including any existing municipal systems then serving within such areas, subject to the power of the Commission to leave any area unassigned or to reassign any area and subject to Sections 58-27-20, 58-27-630 and 58-27-650.

Id. Also, under S.C. Code Ann. § 58-27-650(A) (2015), the Commission may reassign portions of previously assigned service areas upon agreement of the affected electric suppliers.

. . . upon agreement of the affected electric suppliers, is authorized to reassign to one electric supplier any area or portion of the area assigned to another and, notwithstanding the lack of an agreement, the commission upon petition by any electric supplier or county or consolidated political subdivision within this State, after notice to all affected electric suppliers and after hearing, if a hearing is requested by any affected electric supplier, the Office of Regulatory Staff, or any other interested party, is authorized to reassign to one electric supplier any area or portion of the area assigned to another, except premises being served by the other electric supplier or to which any of its facilities for service are attached and except the portions of the area as are within three hundred feet of the other electric supplier's lines, upon a finding that the reassignment is required by public convenience and necessity. In determining whether public convenience and necessity require the reassignment, the commission shall consider among other things the adequacy and dependability of the service of the affected electric suppliers, but may not consider rate differentials between the electric suppliers.

S.C. Code Ann. § 58-27-650(A) (2015). Notice of this matter was posted in newspapers of general circulation in the areas affected by the Joint Petition. Joint Petitioners assert that they negotiated the agreement in good faith and state that customers will experience no

change in electric service. Joint Petitioners further state that the reassignment will avoid wasteful duplication of electric distribution lines and will allow safer operation, better system economy, and service reliability.

Additionally, under S.C. Code Ann. § 58-27-620(8) (2015), the Commission has the authority to approve agreements between electric suppliers concerning corridor rights, and the Commission shall approve those agreements if, after filing notice and an opportunity for hearing to interested parties, it finds the agreements to be fair and reasonable.

(8) In addition to the authority granted to the commission in the preceding provisions of this section, the commission shall have the authority to approve agreements between electric suppliers concerning corridor rights. This additional authority only shall apply in situations where all affected electric suppliers have reached an agreement concerning corridor rights. With respect to the agreements, the commission shall approve the agreements if, after giving notice and an opportunity for hearing to interested parties, it finds the agreements to be fair and reasonable, but the commission shall not have the authority to alter or amend any such agreement unless all affected electric suppliers agree to the alteration or amendment.

S.C. Code Ann. § 58-27-620(8) (2015).

ORS has reviewed this matter and has no objection. By letter dated April 19, 2021, the Office of Regulatory Staff states that it issued discovery to Dominion to verify Dominion's determinations and the information asserted in the Joint Petition. ORS also engaged in discovery to obtain additional information about the Joint Petition regarding the reasons and driving factors, potential benefits for customers, the classifications and status of the proposed assignment and reassignment territories, and if any other parties or

entities would be impacted by the proposed changes in territory assignments who were not affiliated with the Petitioners. In addition, ORS states that it held a virtual meeting with Dominion on April 12, 2021, to further discuss the Joint Petition. Based on its review, ORS does not object to the Commission's approval of Dominion's Joint Petition filed with Palmetto Electric and Edisto Electric. If approved, ORS recommends requiring the Petitioners to file amended territorial assignment maps for Beaufort, Jasper, and Hampton Counties to reflect the modifications requested in the Joint Petition. No other parties or interested persons intervened, and there was no request for a formal hearing.

III. FINDINGS OF FACT

Upon review of the Joint Petition, exhibits, and filings in the record, the Commission makes the following findings of fact:

1. Petitioners state the proposed territorial changes are the result of lengthy, good faith negotiations.
2. In making the assignments of territory in the manner described in the Joint Petition – Palmetto Electric, Edisto Electric, and Dominion – state that they have given careful consideration to system economy, service reliability and good utility practice, efficiency and safety, which supports the assignment and reassignment of territory as set forth in the exhibits of the Joint Petition, therefore we find that it promotes public convenience and necessity.
3. The assignment and reassignment of these territories will avoid duplication of utility facilities in the specified areas where these changes will occur.

4. There are no other facilities or territories of any other electric suppliers affected by the changes proposed by the Petitioners.

5. Notice as required by S.C. Code Ann. §§ 58-27-620(8), 58-27-650, & 58-27-660(2) was provided by the Petitioners.

6. Each of the Petitioners are fully capable of furnishing adequate and dependable electric service in the areas that they each now serve and that they would serve as proposed by this Joint Petition.

7. The assignment and reassignment of the above detailed territories and as detailed in the Petition and Order Exhibits 1, 2, and 3, is in the public interest and such agreements between the Petitioners are fair and reasonable.

IV. CONCLUSIONS OF LAW

Based upon consideration of the Petition, exhibits, and filings in the record, applicable law and aforementioned findings of fact, the Commission makes the following conclusions of law:

1. The Commission has the authority to assign to electric suppliers areas outside the corporate limits of municipalities and that are more than 300 feet from the lines of electric suppliers. S.C. Code Ann. § 58-27-640.

2. Dominion is a corporation organized and existing under the laws of the State of South Carolina. Further, Dominion is, in part, an electrical utility engaged in the generation, transmission, distribution, and sale of electricity to the public for compensation. Dominion's retail electric operations are subject to the jurisdiction of the Commission.

Additionally, Dominion is an electric supplier as defined by the Territorial Assignment Act. S.C. Code Ann. § 58-27-610(1) (2015).

3. Edisto Electric and Palmetto Electric are both subject to the limited jurisdiction of the Commission as an electric supplier defined by the Territorial Assignment Act. S.C. Code Ann. § 58-27- 610(1) (2015).

4. Upon agreement of the affected electric suppliers (i.e., Palmetto Electric, Edisto Electric and Dominion), the Commission may reassign portions of previously assigned service areas. S.C. Code Ann. § 58-27-650(A) (2015).

5. The Commission has the authority to approve agreements between electric suppliers concerning corridor rights. The Commission shall approve those agreements if, after giving notice and an opportunity for hearing to interested parties, it finds the agreements to be fair and reasonable. S.C. Code Ann. § 58-27-620(8) (2015).

6. The Commission has previously exercised its statutory authority and assigned electric service territories within Beaufort County, South Carolina, to Palmetto Electric and Dominion.

7. The Commission has previously exercised its statutory authority and assigned electric service territories within Jasper County, South Carolina, to Palmetto Electric and Dominion.

8. The Commission has previously exercised its statutory authority and assigned electric service territories within Hampton County, South Carolina, to Palmetto Electric, Edisto Electric, and Dominion.

9. The proposed assignment and re-assignment of territories among the Petitioners will not cause any customers to change their service; that is, no customers will be affected by the Joint Petition.

10. The approval of agreements to eliminate "corridor rights" in the specified areas are unopposed and should be approved.

V. ORDERING PARAGRAPHS

IT IS THEREFORE ORDERED:

1. The assignment and reassignment of the territories as specified by the Joint Petition is in the public interest, is fair and reasonable and is hereby approved.

2. The assignment and reassignment of the territories as specified in Exhibits 1, 2, and 3 of the Joint Petition are also approved and are attached hereto as Order Exhibits 1, 2, and 3 respectively.

3. Palmetto Electric Cooperative, Inc., Edisto Electric Cooperative, Inc., and Dominion Energy South Carolina, Inc. shall file amended territorial assignment maps for Beaufort, Jasper, and Hampton Counties to reflect the modifications requested in this Joint Petition within thirty (30) days from the date of receipt of this Order.

4. In order to avoid wasteful duplication of electric distribution lines and appurtenant facilities and to better operate their distribution systems safely, any Petitioner who has territory that is reassigned to other Petitioners in this docket shall abandon their previous corridor rights and not assert a corridor right to serve a customer outside the territory currently assigned to that Petitioner by this Order.

5. This Order shall remain in full force and effect until further Order of the Commission.

BY ORDER OF THE COMMISSION:

Justin T. Williams, Chairman
Public Service Commission of
South Carolina
